Mo. State Board of Agriculture.

The secretary of the State Board of Agriculture sends us the report of the board for 1883, also a circular

The board earnestly desires to col-lect full and reliable statistics for show. There are certain wealthy men in St. Louis who have sent out an agent empowered to accomplish certain facts and enter into negotiations. Deland's Chemical Baking Powder contains no silling of any kind.

The Merchant Fraveler says to the men of Cineianati: "It's all right, gentiemen, for you to think that your wives are angels, but hat's rather incongruous for angels to carry in the show that in 1796 there was a non-

Secretary, Columbia, Mo.

The following coincidence is re-lated by the St. Louis Republican of

with such necessaries and supplies as war, established the well known and seem to have less an element of There is a cownet far from La Plata which has been giving nells fourteen months and in last month made 33 pounds of butter, which was sold for 25 cents per pound, making 88,25 in one.

Cream Baim was exhausted I was cared, and to-day enjoy good health.—C. J. Comer, 923 Chestant at., Field Manager, Philadelphia Publishing House, Pa. (See adv't.)

I could scarcely speak; it was almost impossible to breath through my nostrils. Using Ely's Cream Baim a short time I was entirely relieved. My head has not been so clear nor voice so atrong in years, I recommend this admirable remedy to all afflicted with caterris or colds in the head.—J. O. Fremson, Shoe Merchant, Elzabsth, N. J. (Price Mr. J. C. Litter, the town locating agent of the C. B. & K. C. R. R. was in the circ Felician on his way to Burling.

Christ, Bunger and exhaustions were and surface the bags of water and provisions were and straightforward in all his dealings with them. The war made many unjust and unfair men while in authority; but Marmadied, and the privations of the men line case of the men increased. Attwo places they passed deserted mission charches, built of stone. In these temples Senor Bland and silver standing upon the altars; priestly garments, ladened with dust and infling apart from age, depended from wooden pegs in the vestries. Under the altars were open volumes made harsh, aristocratic, and unapy influence at all it would necessative by an advocacy or a seeming advice. Therefore, so far from being and increased to the the altars were open volumes made harsh, aristocratic, and unapy repetition. The work is and just the contrary effect. It has been a brid, animal protection. The work is and provided the tariff to an absolute rever and transfered to such of the animals with them. The war made many unjust and unfair men while in authority; but Marmadiake under all circumstances was a line and kind-hearted gentleman. His uniform in his estimation, never furnished him any warrant to brow-beat and domineer over non-combat and silver standing upon the altars. On the contrary, he perhaps conducted things he would not have endured things he would not have endured things he would not have endured the had been differently situate

Mr. J. C. Littler, the town locating agent of the C. B. & K. C. R. R. was in the city Priday on his way to Burlington, Iowa. He tried to get enough land from Mr. Smithpeter, near Begards Mound, on which to lay out a town, but could'nt agree on the price. Now the town will be hald out insection 17, Van Horn township, 3 miles north east of Bogards. Mr. L. saysthat there will be a siding put in between that point and Carrollton, but that no town will be hald out.—Carrollton Democrat.

Lives of good men of reminds us that when we die we should leave behind us an appropriation for a fitting monument. When smood old.
